

A Total Cost Solution

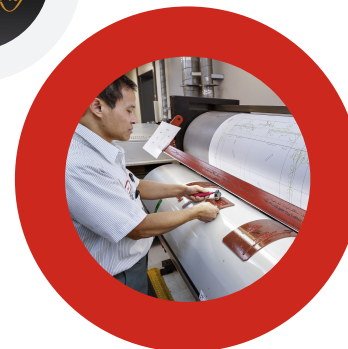

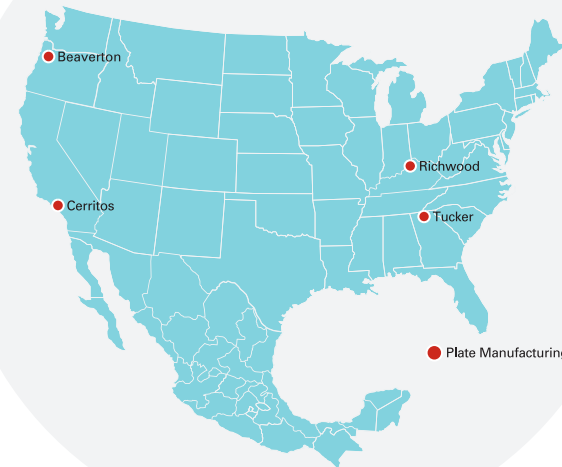

International Paper boxes, printed with International Paper plates

Print successfully with flexographic plates developed and manufactured by over 70 talented team members that have been making plates for over 40 years. Talent that delivers engaging, attractive solutions that result in high-quality sheet and liquid plates delivered pre-mounted or loose to your facility.

Our Service Offerings

- Design Services**
 Our experienced graphic artists create dynamic, engaging graphics that sell products. What's more, our expertise in corrugated results in readable graphics, scannable bar codes and improved speed-to-market.
- Color Separation/Correction**
 Our color separation experts deliver images that are among the industry's best for color accuracy.
- Direct Print/Preprint**
 From Direct Print to Preprint, our comprehensive understanding of graphic design and flexography provides the best total cost print solution for your package.
- Brand Consistency**
 Whether you choose Direct Print, Preprint or Litho, our vertically integrated facilities ensure enhanced consistency across all platforms.
- ChromaPak®**
 Our patented Direct Print technology produces the look of 4-color process images with as few as 2 colors while allowing for modest miss register. A great choice when Preprint or Litho volume and price constraints are an issue. Available exclusively through International Paper box plants.
- Symphony Internet Portal**
 Symphony gives you the flexibility of approving your art through your PC, smart phone or tablet. Symphony gives you the control to customize your art-for-approval process and provides a safe, secure platform from which you can store and catalog your graphic art and structure files.
- Technical Service Teams**
 Experienced Technical Service Teams deliver Practical Innovations to your printing press – using our press-side expertise to solve printing challenges.
